

FOURTH ANNIVERSARY SOIREE AND NONPROFIT LAUNCH

Dear Friend of ArtWRKD

On November 14, 2026, ArtWRKD will celebrate four years of art, community, and creative legacy while officially launching its next chapter as a nonprofit organization. I am writing to invite you to become a sponsor of this milestone evening at the Historic Stocking Works in Newtown.

The gala is being designed as an immersive expression of ArtWRKD's mission. Through visual storytelling, installation, and a high-impact giving experience, guests will encounter how artists see, question, and transform the world around them before being invited to help build what comes next.

Sponsorship will underwrite the artistic production, hospitality, and immersive elements of the evening while supporting ArtWRKD's nonprofit work in exhibitions, residencies, mentorship, education, performances, and community programming. Every sponsor is invited to the private 6:00 p.m. VIP dinner, with reserved seats determined by sponsorship level, and are invited to remain for the separate 7:00 p.m. Friends of ArtWRKD dessert-and-cocktails celebration.

We incubate new exploratory concepts within the arts while fostering meaningful connections between artists, art, and community.

Through exhibitions, our Certificate of Mastery program, immersive experiences, curator-led groups, workshops, performances, and artist residencies, ArtWRKD provides educational programming that helps artists build sustainable creative careers while strengthening community through meaningful arts engagement.
